

Kereru Model

100m² of Smart, Space Efficient Living - the Kereru is a cleverly designed 2-bedroom home that makes the most of every square metre. With 1.5 bathrooms, a generous walk-in wardrobe, and plenty of built-in storage, it's ideal for those seeking comfort without compromise.

The kitchen includes a spacious scullery/laundry, perfect for keeping things tidy while entertaining or cooking up a storm.

Well suited to smaller sites or as a rural secondary dwelling, the Kereru offers simplicity, style, and smart design in a compact footprint.
