

# HAWKE'S BAY HOMES

BETTER LIVING NOW

## Ngaruroro Model

Step into the comfort and convenience of our popular Ngaruroro model, tailored to generate passive rental income or create a cozy second dwelling right on your existing property.

Boasting two double rooms and a generous living space, this self-contained home seamlessly blends into both urban and rural environments. Personalise your living space with a selection of roof designs, or you fancy a back or front decking area, our versatile design allows for easy customisation. The back door feature provides convenient access to garages or service areas, adding practicality and functionality.

A lot of thought, design creative, practical building experience, and liveability options have been put into the creation of our Hawke's Bay Homes range. All our homes have been designed by an innovative and experienced architectural team.

Each home is designed to maximise the living spaces and create a sense of space for every room in the house. All our transportable homes are specified with high quality, high-end finishes, and fittings and are completed to an impeccable standard. Remember too of course, that you can add, remove and make any changes that best reflect your personality and lifestyle.
