A lot of thought, design creative, practical building experience, and liveability options have been put into the creation of our Hawke's Bay Homes range. All our homes have been designed by an innovative and experienced architectural team. Each home is designed to maximise the living spaces and create a sense of space for every room in the house.

All our transportable homes are specified with high quality, high-end finishes, and fittings and are completed to an impeccable standard. Remember too of course, that you can add, remove and make any changes that best reflect your personality and lifestyle.
